

Level A Full Scope CraneSafe Certificate of Competence INDIVIDUAL RE-ASSESSMENT APPLICATION

Operators: Use this application to be re-assessed for your CraneSafe Certificate.

Employers: Please use the Employer Re-Assessment Application form to book appointments for your employee(s).

IMPORTANT NOTICE:

1. If you hold a provincial or federal crane certification, the CraneSafe Certification may be optional. Please contact our office to clarify.
2. A separate assessment must be booked for each class of crane being assessed. See www.fulford.ca for more details on crane classification.
3. The crane you will be re-assessed on must have up-to-date certification and the Load Chart and Log Book must be available or the assessment will not take place.
4. Space must be available to write the Load Chart & Rigging assessment. The person being assessed must have privacy.
5. Outrigger pads must be available for crane set up. The floats provided with the cranes are not sufficient.
6. Adequate yard space must be available for crane set up and to perform the operating components of the assessment.
7. No power lines may be in the operating area.
8. Outside of BC, this certificate is renewable every five years.
9. The assessor will take your photograph at the time of assessment. The photo will be used for the crane operator's photo id certification card. *No hats or sunglasses.*
10. In the case that you are not found competent in one or more sections of the re-assessment, you may be re-assessed one more time before having to recommence the certification process. Study resources are available online at www.fulford.ca/links.html.

PRIVACY NOTE:

Fulford Harbour Group (known as Fulford Certification) is subject to the Personal Information Protection Act, SBC 2003, C23 ("PIPA"). We will not share personal information including the photo with any party except WorkSafeBC or its designates, the employer and the crane operator. For more details, see our Privacy Policy at www.fulford.ca.
