Folding Boom 22 Tonnes								√	√		
Folding Boom 10 Tonnes									√		
TOWER CRANES											
Tower Crane										√	√
Self Erect Tower											√

NOTES

1. Friction Lattice Boom Cranes are also known as conventional cranes.
2. Folding Boom Cranes are also known as Knuckle Boom Cranes and Articulating Boom Cranes (i.e. HIAB).
3. Tower Cranes include luffing and track mounted cranes.
4. Tonnes are metric.
