

### NOTES

1. This Application Form is for those applicants who have successfully completed the Theory segment of the Qualification Certificate program.
2. For information on the Practical Assessment, go to: [www.fulford.ca/crane/ab/craneopab.html](http://www.fulford.ca/crane/ab/craneopab.html).
3. Results from the Practical Assessment will be sent to the Qualification Certificate program coordinator.
4. The crane you will be assessed on must have up-to-date certification and the Load Chart and Log Book must be available or the assessment will not take place.
5. Space must be available to write the Load Chart & Rigging segment of the assessment. The person being assessed must have privacy.
6. Outrigger pads must be available for crane set up. The floats provided with the cranes are not sufficient.
7. Adequate yard space must be available for crane set up and to perform the operating components of the assessment.
8. No power lines may be in the operating area.

**PRIVACY NOTE:**

Fulford Certification is subject to the Personal Information Protection Act, Statutes of Alberta 2003 ["PIPA"]. We will not share personal information with any party except Alberta Innovation and Advanced Education or its designates and the crane operator. For more details, see our Privacy Policy at [www.fulford.ca](http://www.fulford.ca).
