

LEVEL D REVISION APPLICATION

Limited Scope CraneSafe Certificate

This application is for Level D Crane Operators who are changing worksites and/or employer. They are not required to rewrite the BC Crane Operator Core Theory Exam.

Level D Crane Operation

- Level D Limited Scope Certification permits operators to operate any crane(s) for which they have successfully completed an in-house competency certification program at the worksite indicated on page 2.
- The Level D Limited Scope Certificate is held by the employer on behalf of the employee and is not transferable between worksites or employers.
 - Should the Level D crane operator leave the employ of the employer named on the Level D Certificate, the Certificate is invalidated.

- 3. No critical lifts (as defined by WorkSafeBC) are permitted.
- 4. The employer must be prepared to show evidence that the operator has received training for the specified crane(s) operated. This can include:
 - an Employer's Record of Training for Level D Certified Crane Operator;
 - BC Crane Safety electronic logbook;
 - purchased training materials;
 - confirmation of training by a designated instructor; etc.
- A list of crane operator competencies is available online at www.fulford.ca (see crane type).

Photo ID Certification

Please email a **digital** photograph (min. 300 dpi / medium resolution) to certificates@fulford. ca – 600 px wide x 825 px high Or, enclose a **passport** sized photo of the crane operator clearly labelled.

2" wide x 2.75" high

No hats or sunglasses to be worn. Include the **head and shoulders**. Photos must be taken within the past **12 months**.

PRIVACY NOTE:

Fulford Harbour Group is subject to the Personal Information Protection Act, SBC 2003, C23 ("PIPA"). We will not share personal information including the photo with any party except WorkSafeBC or its designates, the employer and the crane operator. For more details, see our Privacy Policy at www.fulford.ca.

CRANE INFORMATION

Select the crane type(s) that the operator has received training for. These crane types will appear on the revised Level D Certificate and are the only crane types the operator is certified to operate. (This certificate is not hierarchical.)
