### PLAN FOR SUPERVISION

- While you do not have to submit
   a Supervision Plan with this
   application you will need to ensure
   that a 'Plan for Supervision' is
   in place to ensure adequate
   supervision of the Level B Operator
   named on this form.
- In the event of an incident involving any Level B operator, WorkSafeBC will request evidence from you of a Plan for Supervision covering the Level B operator.
- By signing the Supervisory agreement the Employer agrees to ensure that the Level B operator is adequately supervised at all times while operating a crane by a person or persons who understands that they are responsible for supervising the Level B operator and are qualified and competent to do so.

### **AGREEMENT**

If you change jobs this Level B card becomes invalid and you must submit a Change of Employer application to receive an updated Level B Certificate. This is because a Level B Certificate is only valid when there is a plan for supervision in place that is agreed to by all parties – trainee operator, supervisor and employer.
