LEVEL D APPLICATION

Limited Scope CraneSafe Certificate

8 October 2026

- Level D Limited Scope Certification permits operators to operate any crane for which they have successfully completed an in-house competency certification program at the worksite indicated on page 2.
- A successful result on the Level D BC Crane Operator **Core Theory Exam** (an online multiple choice test) is required for certification.

NOTE:

- You have **30 days** from the day you are registered in the online test to complete it. After 30 days, you will forfeit your application fee and will need to reapply.
- The online exam may be attempted a total of three times. For a second or third attempt, the Re-Application form must be submitted to Fulford.

- The Level D Limited Scope Certificate is held by the employer on behalf of the employee and is not transferable between worksites or employers. Should the Level D crane operator leave the employ of the employer named on the Level D Certificate, the Certificate is invalidated. The operator may apply for a Revised Certificate with a new employer.
- No critical lifts (as defined by WorkSafeBC) are permitted.
- The employer must be prepared to show evidence that the operator has received training for the specified crane operated. This can include:
  - an Employer's Record of Training for Level D Certified Crane Operator;
  - BC Crane Safety electronic logbook;
  - purchased training materials;
  - confirmation of training by a designated instructor; etc.

- A list of crane operator competencies is available online at www.fulford.ca (see crane type).
