CraneSafe CERTIFICATION

EMPLOYER ASSESSMENT APPLICATION

Level A Full Scope CraneSafe Certificate of Competence

8 October 2026

Employers: Please use this application form to book appointments for your employee(s).
Operators: Please use the Operator Assessment Application form to be assessed for your CraneSafe Certificate.

IMPORTANT NOTICE

- If an operator holds a provincial or federal crane certification, the CraneSafe Certification may be optional. Please contact BC Crane Safety directly to clarify at info@bccranesafety.ca or 604.336.4699.
- A separate assessment must be booked for each operator for each class of crane being assessed. See www.fulford.ca for more details on crane classification.
- Cranes used to assess operators must have up-to-date certification and the Load Chart and Log Book must be available or the assessment will not take place.
- Space must be available to write the Load Chart & Rigging assessment. The person being assessed must have privacy.
- Outrigger pads must be available for crane set up. The floats provided with the cranes are not sufficient.
- Adequate yard space must be available for crane set up and to perform the operating components of the assessment.
- No power lines may be in the operating area.
- Your CraneSafe certification is valid for life. However, your ID card should be renewed every 5 years to comply with international standards.
- The assessor will take a photograph of each operator at the time of assessment. The photo will be used for the crane operator's photo id certification card. *No hats or sunglasses.*
- Please inform your crane operator(s) well ahead of time that they are going to be assessed and provide them with the assessment orientation and load chart practice questions available at www.fulford.ca–See Level A or Practical Assessment under each crane type.
- In the case that an operator is not found competent in one or more sections of the assessment, they may apply to be re-assessed in that section. Operators may be re-assessed up to two times before having to recommence the certification process. Re-assessment fees are applicable. Study resources are available online at www.fulford.ca (see Level A – Practical Assessment under each crane type).

PRIVACY NOTE:
Fulford Certification is subject to the Personal Information Protection Act, SBC 2003, c.23 ("PIPA"). We will not share personal information, including photographs, with any party except WorkSafeBC or its designates, the employer, and the certifier. This form is processed using an AI-assisted data entry tool within our secure Google Workspace environment. Your information is not used to train AI models and remains within our organization at all times.
