

Wallet & Digital : Certificates & Credentials

22 September 2025

Wallet & Digital Cards

Fulford Certification issues certification credentials for rigging training and assesment. Fulford is transitioning from issuing wallet cards to digital cards for all three levels of rigging certification. Both wallet cards and digital cards are valid proof of rigging certification.

- Digital cards will be issued for all rigging training as of 28 July 2025. Cards are compatible with both Apple and Android mobile devices.
- Previously issued wallet cards remain valid until their expiry date and will be converted to digital cards upon renewal.

Certification Levels

There are three levels of certification in the Fulford rigging program. The level of certification is indicated at the top of the wallet card and can also be identified by the background colour. For a full description of each level of certification, please consult the Fulford website www.fulford.ca/rigger-certification.

Level 1 – Rigging Fundamentals

is the entry level for rigging training.

Participants receive either a Certificate of Completion or a Certificate of Competence.

- **Certificate of Completion** is valid for 3 years.
- **Certificate of Competence** includes one-on-one assessment with feedback on the participant's skills. Valid for 5 years.

Level 2 – Advanced Rigger

takes rigging skills to the next level.

Participants must have already completed Level 1 Rigging Fundamentals or equivalent.

Participants receive either a Certificate of Completion or a Certificate of Competence.

- **Certificate of Completion** is valid for 3 years.
- **Certificate of Competence** includes one-on-one assessment with feedback on the participant's skills. Valid for 5 years.

Level 3 – Load Turning & Drifting

is intended for riggers to develop more specialised skills.

Participants must have already completed Level 1 Rigging Fundamentals or equivalent.

Participants receive either a Certificate of Completion or a Certificate of Competence.

- **Certificate of Completion** is valid for 3 years.
- **Certificate of Competence** includes one-on-one assessment with feedback on the participant's skills. Valid for 5 years.

Wallet Card Features

Certification Cards

- This document shows all the valid Fulford Rigger certification cards.
- The Fulford Certificate card is plastic and measures 2-1/2" x 3.5".

Security Features

- The Fulford Certificate appears with the words British Columbia in the background.
- The card is laminated with holograms interspersed.

Certificate Number

Each certificate is issued with a unique number that can be referenced by Fulford Certification.

Address

This is the rigger's home address at the time the certificate was issued.

Issue & Expiry Dates

Date of Issue

The date the card is issued to the rigger after successfully completed the Fulford training and orientation session and one-on-one assessment for the Certificate of Competence.

Date of Expiry

The date the certificate expires. Certificates of Completion are valid for 3 years. Certificates of Competence are valid for 5 years.

Digital Card Features

QR Code

- Each digital card has a unique digital code which is featured on the front of the digital card in both number format and in a black and white matrix.

Online Verification

- Digital cards can be verified by accessing the online verification website to confirm the status of rigger certification.
- Use the unique QR code or certification number printed on the digital card to access the site (or scan the code using a mobile device).
- The rigger's photo will appear here as well as all other applicable information.

Apple versus Android

- Digital cards are available in Apple and Android versions.
- Both cards display the First Name and Last Name of the rigger, Date of Issue and/or Expiry as well as the Level of Certification.
- Apple cards display a photo of the rigger.

WALLET CARD

Level 1 – Rigging Fundamentals

Certificate Number

- Each certificate is issued with a unique number that can be referenced by Fulford Certification.

Rigging Level

- The type of rigger training is listed here.

Certification Level & Type

DIGITAL CARD

Online Verification Website

Simply scan the QR Code located on the wallet card and it will take you directly to the Online Verification site.

Or, access the home page here:

https://testing.fulford.ca/blocks/wallet_certificate/verify.php

The screenshot shows the 'Verify certificates' page. At the top, there's a 'Fulford CERTIFICATION' logo and a 'Home' link. A 'Log in' link is in the top right. The main heading is 'Verify certificates'. Below it, there's a 'Code' input field with a red error icon and the text 'Required'. The code entered is '1749256140JD'. A green 'Verify' button is below the code field. Below the code field, there's a placeholder for a colour photo of a man. Below the photo, a green banner says 'This certificate is valid'. Below the banner, there's a table of certificate details:

Full name	John Doe
Certificate	Rigging Turn and Drift Competence
Date issued	15 September 2025, 9:56 AM
Expiry date	15 September 2030, 9:00 AM
Status	Valid

At the bottom left of the table, there's a 'View certificate' button.

QR Code

- Enter the QR code from the online certificate.

Card Details

Verify these details:

1. Colour photo (no hat, no sunglasses)
2. Rigger's first name and last name
3. Type of certificate
4. Date of Issue
5. Date of Expiry
6. Status

Digital Wallet Card

Click View Certificate to view the Digital Wallet Card with these details:

1. Level & type of certificate
2. Certificate number (unique QR code)
3. Colour photo (no hat, no sunglasses)
4. Rigger's first name and last name.
5. Rigger's home address
6. Date of Issue & Date of Expiry
